The logo for SPANLIFT, featuring a red roof-like shape above the word "SPANLIFT" in a bold, sans-serif font. "SPAN" is in black and "LIFT" is in red.

More than just a shed

Productive and durable agricultural buildings are more than just a shed. To get the most from your investment, you need a building that has been individually designed and manufactured to suit your operational needs.

Cattle Yard Covers

A yard cover will protect you and your animals from the elements, whether it is sun or rain. Spanlift can provide you with more than just a cover. Talk to us today about:

- › Designing the cover to suit your animal movements
- › Natural lighting where you need it most
- › Building over existing pens with minimal disruption
- › Gable infills, angled skillion covers and part walls to suit the sun angles at your site
- › Provision for loading facilities
- › Extra height in truck access areas
- › Hot dipped galvanized columns and trusses for maximum corrosion protection
- › Column protector systems to prevent animal bruising
- › Gate hinges welded onto columns as required
- › Water discharge and collection to suit your site layout

We make them to last!

Spanlift has been heavily focused on the agricultural industry for many years. We have worked with our customers to produce steel buildings that work for you, under harsh Australian conditions.

- › 100% Australian heavy structural steel and iron for all of our sheds
- › Hot dipped galvanized columns and trusses
- › 50 Year Structural Warranty

37.5m L x 15m W x 3.8m H

40m L x 18m W x 3m H

12m L x 12m W x 2.4m H

120m L x 32m W x 5m H

Common Options

Iron Profiles

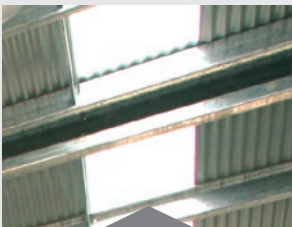

Ridge Vent

Part Wall

Gable Infill

Skylights

Lights

Curved Roof

Round Columns

"The whole project was completed on time and on budget. The animal welfare has improved, and we are able to use soft standing. Today has been an extremely hot day, the cattle have been very relaxed. The staff have obviously been working undercover so there is less problems with heat stress for them as well. We are very proud of our facility, Spanlift have done an extremely good job and we are very happy with it."

Richard James - Manager of Regional Livestock Exchange.
